Phenotypes of extinct CC strains

- Lateral head displacement (ALH)
  - NO vs. YES: Genetically fertile

- Cross beat frequency (BCF)
  - NO vs. YES: Genetically fertile

- Number of motile sperm
  - NO vs. YES: Genetically fertile

- Percentage of sperm that are motile
  - NO vs. YES: Genetically fertile

- Percentage of sperm that are progressive
  - NO vs. YES: Genetically fertile

- Percentage of sperm that are intermediate
  - NO vs. YES: Genetically fertile

- Percentage of sperm that are hyperactivated
  - NO vs. YES: Genetically fertile

- Percentage of sperm that are slow
  - NO vs. YES: Genetically fertile
